

With you every step
of the way

NPA Link
membership

the facts

The NPA is the 'voice of community pharmacy' so when it comes to legislative and regulatory issues affecting how our members practice, the NPA will be right there representing community pharmacy. NPA Link membership gives you access to cutting-edge information, advice and services.

There's never been a better time to be a part of the 'voice of community pharmacy' due to the challenges and opportunities arising from the new pharmacy contract.

Our aim is simple, to provide innovative and proven resources which will help you reach your full professional potential.

Membership is open to all UK registered pharmacists (practising or non-practising)

- Locum Pharmacists
- Practice Pharmacists
- Hospital Pharmacists
- Pharmacy Managers and Pharmacists working within community pharmacy
- Professional Executive Committee (PEC) Pharmacists
- Local Pharmaceutical Committee (LPC) Secretaries
- Portfolio Pharmacists/Consultants
- Pharmacists working for industry and academia, other pharmacy bodies, publishing or computer software suppliers
- Primary Care Organisation (PCO) Pharmacists
