#AskYourPharmacist

Ask Your Pharmacist

NHS Pharmacy First

Advice and treatment for certain common conditions, without the need to see a GP

NHS Blood Pressure Check Service

For people over the age of 40 not previously diagnosed with high blood pressure.

NHS Pharmacy Contraception Service

Oral contraception, without the need to see a GP

NHS Flu Vaccinations

For eligible individuals

NHS New Medicine Service

Advice for anyone newly prescribed a medicine for certain long term medical conditions, for example checking side effects

and more!

You might be surprised at the range of NHS and private services available at your local pharmacy. Just ask!

We have a consultation room, where you can talk with our pharmacist without being overheard.
